Special to The Intelligencer: Rev. W. J. Bolt prenched a very impressive sermon here last Sunday to a large congregation. Mr. Bolt has many warm friends around liopswell who rejoice to see him take the step he has taken, and hope that the fu-ture will be bright for him in the

ainistry.

Hopewell is very badly in need of a pastor. Mr. Edd Smith has recently moved into our community. We are glad to wolcome them, and wish them much prosperity in their new home.

Ars. M. E. Neweii is slowly improving from a part(a) atroke of paralysis, which she suffered some

We were glad to see Supt. L. M. Mahnfley back at his post last funday. Also Prof. B. L. Mitchell, who is such a great leader in the music

school it is hoped that all the people of our community, especially all the church members will make a resolution to attend Sunday school this year. By doing this we could very easily make our Sunday school the sest in the history of the church. Missia Temple and Addie Wilson, of Auderson, spint Schurday significant Sunday with home tolks.

Air, Fussell Duchworth attended services at Whiteheld Sunday afternace.

GREENWOOD

Apecial to The Intelligencer:

Greenwood, Jan. 14-The officers and directors of the Greenwood Chamber of Commerce have reluctiantly accepted the resignation of Mr. F. Barron Grier, who was unamimously elected president at the organization meetings some days ago. Mr Grier stated in tendering his resignation that business engagements prevented his giv-ing the time he desired to the commer cial organization. Mr. Grier's successor will be elected at a meeting of the

chamber to be held at an early date.

The directors were assigned to the various departments of the organization at Tuesday's meeting as follows Detail merchants. A. McD Singleton, publicity, Capt. J. F. Ent minger; rural conditions, H. L. Watson; in-duatrial, H. V. R. Schrader ; real estate and insurance, Ir. John Lyon, conventions, A. A. Coleman; wholesale merchants, C. W. Garrett, public improvements, Dr. E. J. Smith; transportation,

The heads of these departments will each name a committee of four citizens to assist in the work and will meet again on the afternoon of Jan 28th to actively begin work.

Sixty three lots of the F. B. Rey-nolds property, on the extension of Reynolds street, were sold at auction Tusday, bringing a total of approximately \$7,000. The plan is to develop this attractive section of the city fo building purposes

The five banks of Greenwood had their annual meeting and heard reports of the past year's work, which were gratifying to the stockholders With a few exceptions there were no changes in the board of directors. H. proceeds will go to the piano fund. L. Watson was elected vice president

tried to get the News man to ansi my call from the standpipe that much Belton famous, but because of the ment, I have been unable to get into print. Now that you have moved with the Intelligencer and the party ligencer has grown into

will ocassionally drop in or manager and chat with my election. Mr. Clement had made a a good mayor and Mr. Mitchell w such a good citizen I hardly know which one to vote for but now the Mitchell is elected, and I want to be on the administration side, 500 co. just put me down as voting for an chell whether I did or not. Mitches is young and progressive and if the is one thing I have preached it is in a city. It is to be hoped that the officers during the new year will a force the vagrancy law and make it little harder on the pocket hindiges to ply their trade.

The last time I came out I praise the ladden of the Civic Association.

The last time I come out I praise

3.69 that.

There is another thing that we fee me and that is the large number of bachelors in Belton. I don't see and you know that they are and you know that they are merous. Some we have ind a low they always; some tan't help it, other fees always; some tan't help it, other see and you know that they are not you know that they are and you know that they are and you know that they are always; some tan't help it, other fees and come are trying with others have tried, and so it has without any relief. I thought the without any relief. I thought the ried some of the older pass would be ried some of the older pass would be ried some of the older ones would so bitten by the same mosquito, but to yet it seems. How long! Or has

bitten by the same around 1 for yet it seems. How long!

While the new council is flexible the coming year, let me suggest of the coming year, let me suggest of the coming year, let me suggest of the make it parmanent is the way of drains and curbs. We haven't aske gle street with curbing or drain the little curb that we have as ill square is not attached to a duming spand much money and time is did ing out the drains only to have the filled in or washed too deep by next rain. Let the present out when it goes out, reave a month of some permanent work such as it has when it goes out, reave a month of some permanent work such as it has when it goes out, reave a month of some permanent work such as it has when year attentions as at the when it goes out to see a month of some permanent work such as it is such that will sout or at a such in a some administration as at the south of the whom year attention as a such that will sout or a summer as well it goes out to see a manual south of the see to come.

It am going to keep anymes as well as year and the well it goes not a summer as well in our and and the see to come.
